

How to Exchange Menu's on Cafe' page

1. Boot up pdf doc into photoshop or other pic program
2. Save as jpeg doc, medium quality
3. Go to cafe page, choose "edit page" at top of page
4. Delete old pic's
5. In first column (between the two brackets [one_half] and [/one_half])
Insert media of new menu
 Import as "large" size file
 Once imported, adjust to 60% of size, update, then update page
6. Repeat for Sunday menu, between [one_half last=last] and [/one_half], using the same procedure step 5 above.
