

Lesson 2

Overview of the Armor of God

Ephesians 6:10-20

In bible times soldiers would wear very heavy armor. Do you remember the story of David fighting the giant Goliath? King Saul gave David some armor to wear but it was too big and too heavy for David to wear! (1 Samuel 17)

Can you name some of the armor that David is wearing that is too big?

Saul gave David his armor, sword, and shield.

God provides armor for us to fight against the devil. It's like special armor that you can't see but when you have it on it's like you have super powers. The armor God offers us help to know Him better and to not believe the lies of the devil.
