### **Small group rules to keep in mind:**

In your sharing time be as open and transparent as you comfortably feel you can. There is no need to challenge, correct, or give advice unless asked for. Be careful to not "over share". Be sensitive to give everyone an opportunity to join in. For each week, start off your discussions with the first three questions. After that, choose any of the other questions which you feel best suits your particular group.

- 1.** In the message from this weekend or the video, what encouraged you, challenged you or spoke to you most and why? What applications for your life did you learn?
- 2.** From this week's Scripture, what encouraged you, challenged you or spoke to you most and why?
- 3.** Open your book. Take turns sharing one major insight you received from any part of this week's reading. Take time for other members to turn to each passage being highlighted.

### **A DEEPER LOOK**

- 4.** On pages 37-39, Danny lists some of the compelling evidence for the accuracy and reliability of Scripture. Which of these points are the most compelling to you personally and why?
- 5.** Read Psalm 19:1-4. Last week's verses spoke of God's general revelation displayed to all through His creation (*Psalm 19:1-4*). This section talks of the special revelation from God that He has spoken and revealed through His Word, Scripture. According to this passage, what are some of the affects and benefits of God's special revelation in His Word?
- 6.** Read Isaiah 33:22 together. How does this verse personally bring you comfort and why?
- 7.** On page 40 Danny shares how Scripture has personally impacted his life. Has the Bible impacted your life? If so, please share how it has personally affected your life.

## **TAKING IT HOME**
