A DEEPER LOOK

3. In this passage John is saying we cannot love God and the world simultaneously. How have you seen this play out in your life? What about in your relationships? Or your walk with God?
4. If you've experienced a growing distance in your relationship with God because of the world's influence, what helped you turn around? What "woke you up"?
5. In verse 17, John makes our situation pretty clear, however, why do we often give up the things that last forever for what is temporary? How can we guard against adopting the values of the world?

TAKING IT HOME

6. In what areas of your life does love for the world compete with your love of God? What worldly things or value do you need to surrender to fully pursue your relationship with God?
7. In Ben's message he said that, "We can set a path, a direction, a pattern, develop habits in our life that nurture our love for God by the power of the Holy Spirit." What can you do this week to develop these habits?
