As you use this guide, feel free to use as many or as little question as you need to facilitate your 'Ohana Group.

In your sharing time be as open and transparent as you comfortably feel you can. There is no need to challenge, correct, or give advice unless asked for. Be careful to not "over share". Be sensitive to give everyone an opportunity to join in. For each week, start off your discussions with the first two questions. After that, choose any of the other questions which you feel best suits your particular group.
